

# Giving Tuesday Social Media Guide

This guide is to help you create posts for Giving Tuesday on Facebook and Instagram. They begin a week before through the day of the event along with a thank you message. There are also progress posts designed to show how you are reaching your goal and filling the heart.

Feel free to change the words to better reflect your organization. There are a few places designed to add your organization name in orange. If you like feel free to add additional hashtags or direct them to your own donation page. See the Givebutter guide to learn more about how to set up a team and how NVCN will help direct fund to your organization.
