

Charitable Mileage Social Media

This guide is to help you create posts to promote raising the charitable mileage rate for volunteer drivers on Facebook and Instagram.

Feel free to change the words to better reflect your organization. If you would like to make these more personal. Feel free to add additional hashtags.

Double check everything copied correctly before posting.

Check back to see if we have added more posts.

Volunteers are the heart of our communities — but did you know they only receive **14¢ per mile** for driving, compared to **70¢ per mile** for businesses?

We're working to change that! Increasing the charitable mileage rate to **70¢ per mile** will make it easier for volunteers to keep doing what they do best — serving others.

Help us support this important change!
