Dear «First_Name»,

On behalf of all of us at CAREGIVERS: *Volunteers Assisting the Elderly*, thank you for volunteering to serve one of the most vulnerable populations in our county, our frail, older adults who benefit from your Heart and Hands throughout the year.

As April 15, 2025 approaches, we wanted to thank you for serving as a volunteer driver and logging «Miles» miles in 2024.

You may wish to share a copy of this letter with your tax consultant to explore a deduction for volunteer driver miles that you contributed. At present, we understand the federal charitable mileage deduction is 14 cents per mile which is why our organization is working closely with the National Volunteer Caregiving Network to update the rate so that it rides with the current business rate. If you're interested in learning more, please let us know.

Again, thank you for your generous time and support.

Sincerely,

Tammy I. Glenn
